

# IRMMW-THz

1-6 SEPTEMBER 2019

PARIS

## EXHIBITION & SPONSORSHIP

IRMMW-THz 2019 will be held from 1 to 6 September 2019 in Maison de la Chimie conference center, Paris, France.

This annual Conference is dedicated to the latest scientific and technological results in the microwave, THz and infrared spectral range.

**We are expecting more than 800 researchers, from all around the world.**

The 44<sup>th</sup> International Conference on Infrared, Millimeter and Terahertz Waves is the main International Conference bringing together world leading researchers, student and industries within the lively and very active field of millimeter and terahertz-wave technology.

This conference is a unique opportunity to exchange the latest research news and technological developments.

### SPONSORSHIP

Becoming a sponsor of the IRMMW-THz Conference is for your company or organisation an opportunity to increase your visibility within the community.

Within the framework of a true partnership, the Organizing Committee associates the industrials who play a part in the development of research in this vast field. Thus, by taking your share into the organization of this Conference at national and international levels, you contribute to its success. It is also an interesting opportunity to present your know-how and to happen to meet with new contacts.

**Standard Sponsor**  
1 500 €

- on the conference website: your logo, a short text presentation and a link towards the website of your company
- your logo in the dedicated page of the paper program
- your leaflet in the delegate bags

**Silver Sponsor**  
3 000 €

- +
- 1 conference badge
  - advertisement: 1/2 page in the paper program

**Gold Sponsor**  
5 000 €

- +
- a second conference badge
  - advertisement: 1 page in the paper program

**Platinum Sponsor**  
10 000 € and more

- +

- your logo on one of the items in the delegate bags (pen or note-book)
  - table signs with acknowledgements for one event of the social program (welcome reception, one coffee break, gala dinner)
  - your suggestion to be considered

**BRANDING & INCREASE YOUR VISIBILITY IN THE COMMUNITY  
EXHIBIT AND/OR SUPPORT IRMMW-THz 2019 PARIS!**

## EXHIBITION

- 28 equipped booths of 6 m<sup>2</sup>
- Conveniently located secured area near registration desk and meeting rooms

In order to emphasize the importance of the exhibition and to improve the contact between the exhibitors and potential customers and partners, the social program (welcome reception, coffee breaks & lunches, poster sessions) will be held within the exhibition area.

The IRMMW-THz 2019 exhibition is a great opportunity for your company or organisation to

- present and highlight the latest products and innovations in the millimetre, terahertz and infrared spectral region waves (instruments, equipment, software, services...),
- maintain or raise your profile,
- display and promote your products, services or network,
- and generate new business leads.
